# WHY EVEN SMART FOUNDERS FAIL AT LINKEDIN

Because it's not about  
effort, it's about what  
you overlook.

You're strategic.  
You're consistent.  
You post every week.

But your content  
still... flops.

It's not your ideas.  
It's not the algorithm.  
It's **3 subtle mistakes**  
that quietly

Kill your reach  
and resonance.

# *Mistake #1*

## Treating LinkedIn Like a Broadcast Channel

You post and move on.  
But your best posts die quietly.

## *Fix*

Revisit, reply, repurpose.  
Keep the conversation alive.

# *Mistake #2*

## Saying Too Much in One Post

When everything matters  
nothing sticks.

### *Fix*

One message.  
One clear takeaway.

# *Mistake #3*

## Vague CTAs That Go Nowhere

“Let me know” = dead end.

# *Fix*

Invite action.

Ask something real.

Your ideas aren't failing.  
Your focus is.

Small shifts →  
massive reach.
